# USB CHARGING

**\*WARNING: Please DO NOT use adaptor with ">5V" output**

- Connect the USB charging cable to the device, then plug the other end into a PC, power bank, or any USB-compatible power source. (Type-C, 5V  $\geq$ 1A)
- NOTE: The red light will turn on while charging and turn off when fully charged.

# PRODUCT CLEANING

- Clean the product before and after use.
- Remove the sleeve and rinse it with water. Do not submerge or wash the outer shell directly under water to prevent damage to the charging port.
- Wipe the shell with a clean, dry cloth.

# SAFETY

- Use with water-based lubricant to prevent discomfort caused by dryness.
- Fully charge the device before first use.
- Clean the product before and after use with a neutral antibacterial toy cleaner. Do not use alcohol, abrasive cleaners, or other irritating chemicals.
- Keep out of reach of minors. For adult use only.
- Do not share the product; it is for personal use only.
- If you have heart disease or high blood pressure, use with caution.
- To prolong the sleeve's lifespan, wipe it dry after each use and apply body powder to the interior and exterior before storage.
